

Overview regulators, flow control and check valves - SMC

Important information: Not all product variants of a product series are validated. Refer to the instruction manual or the validation document.

Product	Product description
AKB	Bushing Type Check Valve
AKH	Check Valve with One-Touch Fitting
AL-A	Lubricator
AP100	Pressure Control Valve (Relief Valve)
AR-A	Regulator
AR-B	Regulator
ARM5	Compact Manifold Regulator
ARP	Direct Operated Precision Regulator
ASP	Speed Controller with Pilot Check Valve
ASP-X352	Speed Control Valve with Manual Override Pilot Check Valve
ASP-X369	Pilot Operated Check Valve
AW-B	Filter Regulator
IR1000/2000/3000-A	Precision Regulator
KE	Residual Pressure Release Valve with One-touch fitting
VR12#0F	Shuttle Valve

VR1211F	AND Valve with One-touch Fittings
XT34-303-#	Pilot Check Valve with State Detection
XT34-303-X2	Pilot Check Valve with State Detection (Hygenic Design)
XTO	Pilot Check Valve
