### **Quality Policy**

Continually improve by bringing together the wisdom of all of SMC's employees and by having the ideas of Customer First and Quality First as our core business structure.

#### **1. Customer First**

Strive to respond promptly to customer demand and provide service that satisfies the customer.

#### **2. Plan Initiative**

Each employee shall be devoted to "Quality First" and shall execute the PDCA methodology to improve quality in their areas of responsibility.

#### **3. Source Control**

In order to establish a quality assurance system using source control, strive to discover and understand problems in the early stages so that they can be resolved quickly.

#### **4. Full Participation**

Every employee must recognize his/her own responsibility to produce the quality that customers expect. All employees shall act to improve quality.

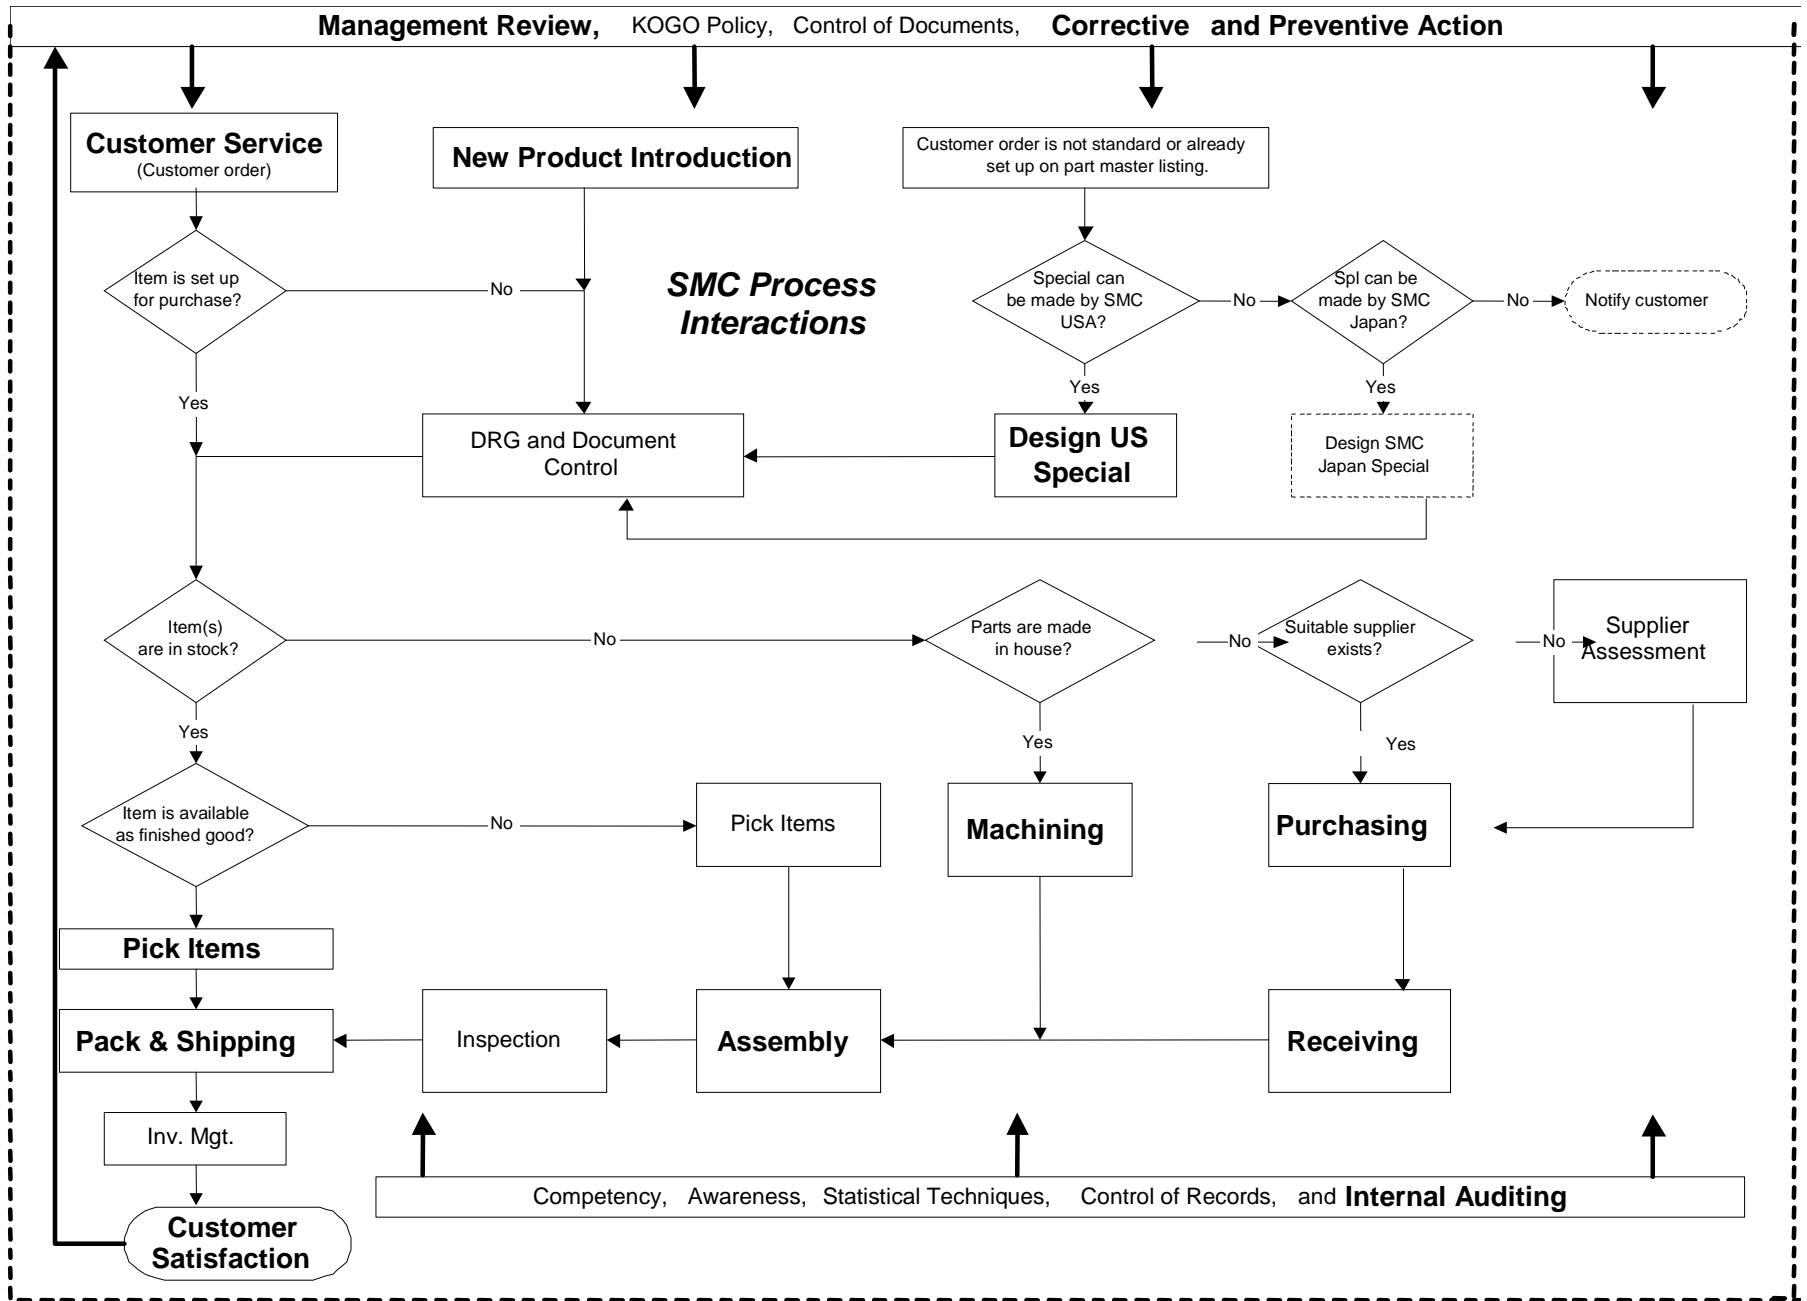

To achieve these quality policies, establish and maintain a quality management system on which all related employees can act. Strive to continually improve these quality policies by maintaining and promoting this system.
