For 200 VAC

- L1: Main circuit power supply (Accessory)
- L2: Main circuit power supply option
- L3: Motor power supply

For 100 VAC

- L1: Main circuit power supply (Accessory)
- L2: Main circuit power supply option
- L3: Motor power supply

Control Circuit Power Supply Connector (Accessory): CNP2

- P, C, O: Regeneration option
- L1, L2: Control circuit power supply

Motor Connector (Accessory): CNP3

- U, V, W: Servo motor power (+)
